

BRINGING YOU THE MOST COMPREHENSIVE CARE

AP&S Clinic has delivered the latest and most comprehensive care to the Wabash Valley for over 90 years. We offer 19 specialties including cardiology, orthopaedics, pulmonology, urology and cancer care, complemented by a range of diagnostic testing and treatment. Primary care specialties include family medicine, internal medicine and pediatrics, plus same-day appointments.

We're leading the way in providing you and your family with every aspect of medical care.
