

PERSONAL. COMPREHENSIVE. INNOVATIVE.

We believe getting to know you is the best way to treat a patient, because personal care goes hand-in-hand with advanced technology. AP&S Clinic offers 19 medical specialties designed to meet all of the Wabash Valley's healthcare needs, the latest innovations in diagnostic testing including a 64-slice CT scanner, and physicians trained in advanced specialty care in locations throughout the area.

We're setting the standard for healthcare in the Wabash Valley.
